Nursing Home

View the Home

Our Home welcomes you to visit. We can arrange for you to come in to view some rooms and spend some time with us by having lunch or even a weekend stay before making your decision. When you have, we can arrange for you or your family/friends to come and bring your belongings before you arrive so that you feel more comfortable. One of our staff members will help you with your belongings and help you to settle in. There may be some questions that you need to answer so that we can plan how best to care for you. You will be fully consulted on your care and what happens during your stay. Once you have settled in you could take full advantage of our exciting activities programme.

Social Activities

We recognise the value of companionship and a need for a stimulating social programme. Residents are encouraged to pursue their interests with the support from our Social Activities Organiser who arranges activities for each day. View our latest newsletter on our website.

We pride ourselves in providing the best possible care in a friendly and homely atmosphere. The Home has been carefully equipped throughout to meet the individual needs of all residents and to provide a safe and comfortable environment. Our Home has a relaxed, friendly atmosphere with family visits welcomed at any time. Refreshments are available for visitors at all times and arrangements can be made for residents to eat their meals with their guests in private.

All bedrooms are ensuite with shower and vary in size from 13sqm-20sqm. Each room is decorated and furnished to a high standard. We encourage residents to bring their personal possessions to personalise their rooms and make them feel even more at Home.

Person Centred Care

At Albany Lodge we devise a care plan specific to each individual resident to ensure their likes, dislikes, preferences and routine can continue within a safe and homely environment. The Person Centred Care Plan is formulated after discussion with the resident their relatives and any multi-disciplinary agencies involved. This plan is reviewed regularly to reflect any changes to meet the residents needs.

Menu

We have a team of dedicated staff that cater for every resident's dietary requirements. Menus are prepared by consulting with the residents and cooked with only the freshest of ingredients from local suppliers. All our dishes are homemade for that extra special taste and to ensure a healthy balanced diet. There are always at least two options every meal time and alternatives will still be offered to suit individual requests. Meals are served in our dining rooms or in residents room depending on their choice. Friends and relatives are welcome to join residents for meals.
