

## **JOB DESCRIPTION**

**JOB TITLE** Registered Nurse

**RESPONSIBLE TO** Home Manager/Deputy Manager

### **JOB PURPOSE**

- To provide high quality clinical/management leadership to care staff teams.
- To deliver care to residents in a professional caring manner.
- To be responsible for the provision and quality of nursing care.
- To support and share with other staff the delivery of personal care which meets the needs of the residents in a way that respects the dignity of the individual and promotes independence and empowerment.
- To motivate the team in all aspects of the Home Management, including taking charge in the absence of senior staff and being accountable and a good team player.
- To provide leadership and supervision and staff development/training of a team of healthcare assistants as directed.
- To share with other staff in meeting the personal, physical and psychological care needs of the residents in a way that respects the dignity and privacy of the individual and promotes independence.
- To acknowledge limitations of competence and to accept only those delegated functions for which one has received instructions and been deemed competent according to the NMC Code of Professional Conduct.
- To comply with the NMC guidelines/regulations.

Successful applicants will have a nursing qualification, current NMC registration and a proven track record of continuous professional development. Contracted hours 44 hrs per week. Salary £15.00 per hour. Applicants are required to provide an enhanced disclosure, cost to be met by individual.

Vacancy and Salary are reviewed every 6 months.
